Hum Tum Shabana 720p movie download free - As the name suggests, it is a story based on trust. It is a love story between two people who have been each other's first love and yet they don't know it because of circumstances. One of those circumstances is that one of them has been blackmailed into believing that the other person only cared for him/her as a friend and nothing more. The characterization in this film is unique and very colorful where the lead characters are both misunderstood, mischievous, superstitious and manipulative people who can't seem to abide by any sensible rules without fighting back with all their might. Furthermore, they do not have any common ground and don't really care for each other at first, but as the story progresses, they fall in love and their mutual feelings only grow through the twists and turns of emotional upheavals. The story begins with a scene that is slowly brought into focus with occasional flashbacks to the past. Right from the beginning, we know that all of it is not as it seems; there probably will be some more interesting surprises happening before this film ends. The story is crafted with great skill, the way it is presented in the cinematography and editing is very different. There are great moments of humor in the film too. The film has received rave reviews from critics and has been adjudged the Best Comedy Film for 2006 at the Star Screen Awards. Hum tum shabana 720p movie download free - Apart from Naseeruddin Shah's performance, most of the other actors in this movie give an equally good performance. The movie has a screenplay which is unique and amazing; it flows seamlessly through multiple situations like a river with all its twists, turns, currents changes in tempo and constant ups/downs without any jarring jumps between scenes or getting lost anywhere along its meandering course. Hum tum shabana 720p movie download free - The music of the film is very appropriate and catchy; it adds to the overall flavor of the film very well. The cinematography of this movie is brilliant; it brings out the characters in full life-size with great effect. There are many extraordinary scenes especially towards the end which will leave even action lovers spellbound. Hum tum shabana 720p movie download free - Hum Tum Shabana is an exceptional film that has successfully pulled off a somewhat complicated subject with great finesse and style. The script, dialogue, cinematography and direction are superbly done by the directors.
